Mopria® Print Service<sup>8</sup>.

The panel features three distinct sections. At the top is a stylized icon of a printer with a sheet of paper emerging, set within a rounded square frame. Below this icon is the word 'Canon' in its signature red font. The middle section is a white badge with a black border, containing a small printer icon and the text 'Works with Apple AirPrint'. At the bottom is the Mopria logo, which consists of a cluster of colorful dots in various colors (red, yellow, green, blue, pink) above the word 'mopria' in a lowercase, sans-serif font.
